Subject: Skit “The Mirror”

On November 11, 2024, students performed a skit titled “The Mirror: Reflection on the English Language.” during the morning assembly, highlighting the journey of a boy named Madav who struggled with English fluency. He was anxious about an upcoming job interview, especially due to his limited English skills. The skit explored the role of English as a global language and its impact on communication.

The skit left a strong impression on everyone present, emphasizing the importance of mutual respect and cooperation in a diverse community. Overall, it was a well-received and impactful performance that both entertained and educated students on the values of tolerance and acceptance.
